Supplements System Regulation 34.02

GENERAL

1.01 System policy and TVMDL rules prohibit the unlawful manufacture, possession, use and distribution of illicit drugs and alcohol by any employee of TVMDL on system or TVMDL property and/or while on official duty or as part of any TVMDL activity. (For exception see System Regulation 34.03.01, Paragraph 1 (2) where alcohol can be served as part of an event/conference using registration fees as funds to purchase the alcoholic beverages in areas/facilities so designated by the CEO and approved by the Chancellor)

1.02 TVMDL employs the Human Resources Department of Texas A&M University and their services (drug or alcohol counseling, prevention, intervention, etc.). The literature/information addressed in 34.02, paragraph 4.2.1 will be distributed annually to each employee as TVMDL receives it from the Human Resources Department of Texas A&M University.
