SUBJECT: TIBH Exceptions Reporting

Please forward to appropriate staff.

The TIBH monthly exception reporting for December is open. Please see attached reporting instructions and details regarding the State of Texas Set Aside Program.

We have noticed a drop in the number of units reporting. The state auditors will audit the agencies for use of TIBH products, as well as Agency compliance with reporting exceptions. If your unit has not been reporting, please contact Nicole Malain. (Nicole.Malain@ag.tamu.edu) to obtain access to the reporting data base.
