TO: Texas A&M AgriLife On & Off Unit Contacts

SUBJECT: Unmanned Aircraft Systems

*Please forward to appropriate staff.*

Attached are requirement procedures for all Unmanned Aircraft Systems (UAS, UAV, Drones, etc.).

If your unit does possess a UAS, please contact AgriLife Risk and Compliance for an export control assessment, along with any questions you may have about UAS, at 979-845-7879.

For questions about placing a UAS on inventory and creating a Preliminary Fixed Asset, please contact the Office of Property and Fleet Management at 979-845-4791 or 979-845-6473.
