**FORMS**

**AG-101 Restricted Cash Gift Agreement:** The Restricted Cash Gift Agreement is a formal agreement document for acknowledgment of cash gifts to an agency or component of AgriLife. In order to qualify as a gift, the donor may not stipulate any type of deliverable or other performance (e.g., specific accomplishments, periodic or performance reports,
etc.) as a requirement of receipt of the gift. Inclusion of deliverables or other performance would constitute a restriction and would require the use of a Memorandum of Agreement and Understanding or a Fixed Price Contract, as appropriate. The donor may request that the gift be used for a specific agency purpose or program and the agency will put forth all practical efforts to comply with this request.

**AG-102 Unrestricted Cash Contribution**: The Unrestricted Cash Contribution is a formal agreement document for acknowledgment of unrestricted cash gifts to an agency or component of AgriLife. In order to qualify as an unrestricted cash contribution, the donor may not stipulate any type of deliverable or other performance (e.g., specific accomplishments, periodic or performance reports, etc.) as a requirement of receipt of the gift. Inclusion of deliverables or other performance would constitute a restriction and would require the use of a Memorandum of Agreement and Understanding or a Fixed Price Contract, as appropriate. In addition, the donor may not request that the contribution be for a specific agency purpose or program. In that instance, a restricted gift agreement (AG-101) should be used.

**AG-103 Non-Cash Gift Agreement**: The Non-Cash Gift Agreement is a formal agreement document for acknowledgment of non-cash gifts to an agency or component of AgriLife. In order to qualify as a gift, the donor may not stipulate any type of deliverable or other performance (e.g., specific accomplishments, periodic or performance reports, etc.) as a requirement of receipt of the gift. Inclusion of deliverables or other performance would constitute a restriction and would require the use of a Memorandum of Agreement and Understanding or Fixed Price Contract, as appropriate. The donor may request that the gift be used for a specific agency purpose or program, and the agency will put forth all practical efforts to comply with this request. AgriLife administrators’ signatures serve only as an acknowledgment of receipt of the gift and do not represent concurrence with the value of the gift stated by the donor for income tax purposes. A certified appraisal may be required for validation of the value for income tax purposes.
