

## 21.99.09.V1 Access to System Property for Sales and Solicitation Purposes

Supplements [\*System Regulation 21.99.09\*](#)

### 1.0 GENERAL

The sale or merchandising of products within the confines of TVMDL is not allowed without specific written permission. Sales and/or solicitation activities by TVMDL employees for charitable or educational purposes is allowed after receiving oral permission.

Individuals desiring to engage in sales or solicitation must obtain written or oral permission prior to beginning such activity. The request shall contain the nature and length of the activity. Permission for direct selling "for profit" will normally only be granted when availability of the product or service on state property represents a distinct convenience to the purchaser and is not otherwise available. Sales or solicitation shall not be disruptive to the normal business of TVMDL. The responsibility for granting permission is delegated to Head of Diagnostic Services in College Station, the Resident Directors in Amarillo, Center and Gonzales.
