PROCEDURE STATEMENT

The unit head is responsible for ensuring that all Texas A&M AgriLife Extension Service (AgriLife Extension) property is obtained from terminating employees, and that access to all computer networks, information/computer resources, and buildings have been removed.

REASON FOR PROCEDURE

This procedure establishes the guidelines for ensuring property issued to an employee is returned, and that access to information technology (IT) resources is removed for individuals terminating employment with AgriLife Extension.

PROCEDURES AND RESPONSIBILITIES

- 1.0 Units must keep accurate records of all property, including items such as keys, credit cards, and computers, which are issued to and returned from AgriLife Extension employees. In addition, units must keep records of all access provided to employees, including special key cards, network, email accounts, and access to other computer-based systems.
 - 2.0 Removal of access to IT resources must be in accordance with AgriLife Extension Procedure 29.01.99.X0.05, *Information Technology Account Management Procedures*.
-
