RULE SUMMARY

This rule is required by The Texas A&M University System (A&M System) Regulation 25.06.01, *Historically Underutilized Business (HUB) Program* and establishes the intention and scope for Texas A&M AgriLife Research (AgriLife Research) to comply with state and A&M System HUB requirements.

Texas Government Code Title 10, Subtitle D, Chapter 2161 applies to state agency construction projects and purchases of goods and services that are paid for with appropriated money and made under the authority of this subtitle or other law.

This rule ensures compliance with state requirements and A&M System Policy 25.06 and A&M System Regulation 25.06.01. All employees of AgriLife Research that have purchasing authority shall comply with related A&M System policies and regulations, as well as agency rules and procedures.

PROCEDURES AND RESPONSIBILITIES

1.0 GENERAL

In executing the involvement of HUBs in procurement opportunities, all employees of AgriLife Research that have purchasing authority shall encourage the use of HUBs in their procurement opportunities, regardless of the source of funds.

2.0 RESPONSIBILITY AND AUTHORITY

- 2.1 AgriLife Research will comply with A&M System Policy 25.06 and A&M System Regulation 25.06.01 and with all applicable laws, regulations and executive orders related to HUBs.
- 2.2 It is the practice of AgriLife Research to involve qualified HUBs in procurement contracts and transactions as required by A&M System Policy 25.06, A&M System Regulation 25.06.01, and state statutes and administrative regulations. Every employee responsible for conducting business with outside vendors has the responsibility of making a good faith effort of ensuring that HUBs are afforded an equal opportunity to compete for all procurement and contracting activities for AgriLife Research, regardless of the source of funds or the dollar amount.
- 2.3 The Director of AgriLife Research will designate an employee as HUB Coordinator who will have responsibility for implementing all programs dealing with HUB activities. This individual will report directly to the Assistant Director for Fiscal Services and will make available the required monthly reports, the State of Texas Semi-Annual and Annual HUB Report, budget management, and any other required obligations.
- 2.4 The HUB Coordinator shall assist the Director of AgriLife Research with the development of the annual AgriLife Research HUB performance plan as described in A&M System Regulation 25.06.01, Section 2.2, including establishing annual HUB goals.

3.0 MARKETING AND OUTREACH OPPORTUNITIES

- 3.1 Bid opportunities will be made available through the E-Procurement Bid Portal (AggieBid). This site will provide information on current and past bid opportunities and awards. The Agency's website will serve as the HUB Program information source with information on HUB vendors, the Agency's HUB Subcontracting Plan, and other HUB-related material.
- 3.2 AgriLife Research will participate, plan, and assist in economic opportunity forums and fairs throughout the State of Texas—including, but not limited to—those sponsored by legislators, the Comptroller of Public Accounts Texas Procurement and Support Services (TPASS) Division, other A&M System members, other state agencies and institutions, and private business entities deemed beneficial to the AgriLife Research HUB Program.
- 3.3 Opportunities will be made available for HUB vendors to present and/or deliver their business capabilities to AgriLife Procurement Services and the AgriLife Research community, whenever possible.
- 3.4 AgriLife Research shall participate in the State of Texas HUB Mentor/Protégé Program and shall implement a Mentor Protégé Program. This program is in accordance with the Texas Government Code Section 2161.065.
- 3.5 AgriLife Research shall seek potential HUB vendors and assist in the certification process.

4.0 REPORTING

The Semi-Annual and Annual HUB Report will be submitted by the required deadline set by the State of Texas as required by Texas Government Code Chapter 2161, Subchapter C.
