

AgriLife Classification Description

7565
STUDENT TECHNICIAN I

SUMMARY

Persons classified at this level must have technical skills, knowledge of the job, or be in a training phase of a technical position, would need a moderate amount of supervision, and would rarely be placed in a supervisory position. Since other student worker classifications require ordinary skills and abilities at the various levels, the technician classification will be awarded very sparingly.

EDUCATION

Required: Must be enrolled on-campus at Texas A&M University to be eligible for employment in this title.

PAY RATE

\$7.45 – 14.00
