Work Email \_\_\_\_\_ Work Phone Number \_\_\_\_\_

In the area provided below, please describe your sincerely held religious belief, practice, or observance that guides your objection to COVID-19 masking and explain how your sincerely held religious belief, practice, or observance conflicts with the federal COVID-19 masking mandate. This includes beliefs under traditionally recognized religions as well as beliefs, observances, or practices which an individual sincerely holds and which occupy in their life a place of importance parallel to that of a traditionally recognized religion. Social, political, or economic philosophies, as well as mere personal preferences, do not justify an exemption or accommodation under law.
