

NOTE: The following requirements apply for the order as a whole.

Bid Specifications - Better Living for Texans, SPRING 2020

- * **Unit prices for all items included in bid, are to be inclusive of set-up, and shipping/handling costs.**
 - * Requests for extension of time and date to submit bids will not be granted.
 - * Products must be education-based, supporting multiple nutrition messages and can be used in various teaching situations.
 - * Bid unit prices must include cost of full customization, set up and shipping and handling costs. Shipping and handling will not be reimbursed if billed separately in excess of PO.
 - * **Vendor must insure all artwork fits the printable area, is legible and of good quality (permanent and should not rub off or wash off) prior to submitting bid.**
 - * **An initial sample of the exact product (without imprint) must be sent as soon as possible, after bid submission to determine if product meets all specifications.**
 - * **Bid must include estimated number of pallets, per item, in order. (Maximum pallet height: 48" inc. pallet)**
 - * **Order must be palletized and wrapped when shipped.**
- * The Better Living for Texans - Texas A&M AgriLife Extension logo must be included on all items regardless of size. (See below.)

- * The USDA SNAP-Ed credit statement must be included on all items as space permits. See below for full text of this Statement.

This material was funded by USDA's Supplemental Nutrition Assistance Program -- SNAP.

The Texas A&M AgriLife Better Living for Texans website URL must be listed on all items. (See below.)

blt.tamu.edu

- * **Items must be delivered to address below within 8 weeks from final approval of art proof.**

If not achievable, please explain.

- * Items will be shipped to the following address:
