Subject: New AggieBuy Punchout Catalog - Possible Missions – HUB for Fisher Scientific

Introducing a new punchout catalog in AggieBuy from Possible Missions, a certified State of Texas HUB who has partnered with Fisher Scientific!

Most products and manufacturers offered by Fisher will be available through Possible Missions, however, due to conflicting pricing agreements with other suppliers, products from four manufacturers will not be available from the Possible Missions/Fisher punchout catalog - EMD Millipore, GE Healthcare, Mettler, and Peptrotech (CA).

You can contact Possible Missions Account Representative Jason Jarry at jarry@possiblemissions.com or 713-271-3746.

If you have any questions, please contact Lindsay Weber at lrweber@ag.tamu.edu or 979-845-2898.
