SUBJECT: FY 21 Salary Notification (does not apply to 02 faculty) – ON HOLD

FY 21 Salary Notification – ON HOLD

Please do NOT release salary letters until you receive final 901's and fund blind reports. Additional guidance will be provided with the final reports next week.

Workday functionality enables employees to view their FY 21 salaries on or after September 1 so you may choose to share this information with your employees rather than using the traditional salary letter.
