TO: Texas A&M AgriLife Unit Contacts & Unit Heads

SUBJECT: System-wide Pay Plan

*Please share with appropriate staff.*

As previously discussed, The Texas A&M University System engaged the consulting group PricewaterhouseCoopers (PwC) to develop a new classification system with titles and pay structures for staff positions. The new System-wide Pay Plan will be used by all A&M System Members once it is fully implemented. Work is in progress for a December 1, 2016 implementation date.
