TO: Texas A&M AgriLife Unit Heads and Business Administrators – Off Campus

SUBJECT: Web Page for Unmanned Aircraft Systems

Please forward to appropriate staff.

The Texas A&M AgriLife Risk and Compliance Office has added a web page for Unmanned Aircraft Systems on their website. This web page will serve as an essential resource for information on UAS activity for AgriLife off-campus Research, Extension and TVMDL facilities. It will include detailed information on the UAS approval process for flight authorization, System rules and regulations, agency rules and procedures, frequently asked questions and training information. If your questions are not answered on this web page please contact the Supervising Authority. The Supervising Authority, Jessica Flores can be reached by phone 979.862.2689 or email uas@ag.tamu.edu.
