Subject: AggieBuy New User Interface Toggle and Webinar Reminder

Starting on June 25th, users will have the option to toggle between the classic experience and the new experience. As shown below you will see a toggle icon in the bottom, right hand corner of the screen. When this icon is selected it will give the option to change the experience. This will allow users to get familiar with the new experience prior to full implementation of the new experience on July 26th. As of this date the classic experience will no longer be available. Please attend one of our AggieBuy New User Interface webinars, information for those sessions can be found below.
