SUBJECT: SRS Hosting Presentation on Maestro

Please distribute this information among your staff as appropriate and join to learn more on the features of MAESTRO.

Dear Research Administrator Community,

Texas A&M Sponsored Research Services (SRS) of the Division of Research will host a presentation on MAESTRO, on Thursday June 18 at 10:00 to 11:30AM. Maestro is a web browser-based application that is designed to support researchers and research administration across The Texas A&M University System (TAMUS). This session will present information on how to better utilize the features of MAESTRO to successfully manage sponsored proposals and projects. Leonarda, Horvat, Director Research Information Systems and Tye Rougas, Assistant Director will be the presenters.

Participation will be via Zoom. The Zoom meeting information is below. You will need to register in advance for this presentation. SRS will record the presentation with the intention of making it available at a later time for anyone to access. If you have questions on MAESTRO that you would like to ask please email them ahead of time to ansrs4u@tamu.edu.
