- 1.15 Inquiries pertaining to IFBs must include the IFB number and opening date.

2. SPECIFICATIONS.

- 2.1 Any catalogue, brand name or manufacturer's reference used in the IFB is descriptive only, not restrictive, and is used to indicate type and quality desired. If bidder takes an exception to specifications or reference data in his or her bid, bidder will be required to furnish brand names, numbers, etc., as specified in the IFB.

If pricing and preferences are equal, award will be determined by tossing a coin with two witnesses to oversee the tie-breaking activity.

4. DELIVERY.

- 4.1 Bid should show number of days required to place material in receiving Agency's designated location under normal conditions. Failure to state delivery time obligates bidder to complete delivery in 14 calendar days. Unrealistically short or long delivery promises may cause bid to be disregarded.
- 4.2 If delay is foreseen, bidder shall give written notice to Texas A&M AgriLife Purchasing. The Agency has the right to extend delivery date for valid reasons. Default in promised delivery, without accepted reasons, or failure to meet specifications, authorizes the Agency to purchase supplies elsewhere and charge full increase, if any, in cost and handling to defaulting bidder.
- 4.3 No substitutions or cancellation permitted without written approval of Texas A&M AgriLife Purchasing Department.
- 4.4 Delivery shall be made during normal working hours unless prior approval for late delivery has been obtained from the Agency.

Non-conformance to this requirement may be grounds for termination of any resulting agreement by the Agency.
- 6.17 Under Section 2155.077 of the Texas Government Code, Bidder certifies that neither it nor its principals are debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from participation in any resulting agreement by any state or federal agency.

The Agency shall be liable only for payments for any goods or services ordered from the vendor before the termination date.
- 27.2 Cause/Default. In the event of substantial failure by vendor to perform in accordance with the terms of any resulting agreement, the Agency may terminate any resulting agreement upon fifteen (15) days written notice of termination setting forth the nature of the failure (the termination shall not be effective if the failure is fully cured prior to the end of the fifteen-day period), provided that said failure is through no fault of the Agency.
- 27.3 Loss of Funding. Any resulting agreement is subject to termination or cancellation, without penalty to the Agency, either in whole or part, subject to availability of state, federal or local funding.
- 27.4 Rights upon Termination or Expiration. In the event any resulting agreement is terminated for any reason, or upon its expiration, the Agency shall retain ownership of all associated work products and documentation obtained from vendor under any resulting agreement. Further, the Agency and the State of Texas shall not be liable to vendor for any damages, claims, losses, or any other amounts arising from or related to any such termination. However, vendor may be entitled to the remedies provided in Texas Government Code, Chapter 2260. No later than the first calendar day after the termination of any resulting agreement, or at the Agency's request, vendor shall deliver to the Agency all completed, or partially completed, work and any and all documentation or other products and results of these services.
