Resources and Getting the Word Out

There are plenty of resources and information available – please share with all employees in your units/departments:

Texas A&M AgriLife Workday Website

<http://agrilifeas.tamu.edu/hr/workday/>

TAMUS Workday Website

<http://workday.tamus.edu>

NEW: Workday Help Website accessible through SSO:

<http://sso.tamu.edu>

The Workday team has been sending out Pulse Checks - short surveys to make sure our folks are aware of Workday. Please complete if you get one!

HR will continue to send eNews to appropriate groups.

Next Steps

Now what?

- Communicate Workday information to your employees using resources we have provided.
- Familiarize yourself with Workday terminology and security roles by reviewing Workday Help in SSO
- Attend trainings and take courses beginning in September to get hands on experience and work through scenarios
- We will notify you of security role assignments soon

What else do you want to discuss?

- What do you want to know today that we haven't covered?
- What additional resources would be helpful for you?
- What answers can we find out for you and let you know?
- This webex recording will be posted to our HR website soon!

Thank You!
