

Office of Risk Management and Benefits Administration

THE TEXAS A&M UNIVERSITY SYSTEM

Workers' Compensation Coverage

_____ is an employee of Texas A&M University System, TAMUS. TAMUS employees are covered by workers' compensation insurance. The coverage includes reasonable and necessary medical care that is directly related to their claim when the care is delivered in accordance with the law and rules of the Texas workers' compensation system.

The Texas A&M University System is the workers' compensation insurance carrier as defined by Texas law. We do not participate in a workers' compensation healthcare network.

Please submit medical bills in accordance with the law and rules of the Texas workers' compensation system. The injured employee is prohibited to be charged a co-pay or billed for medical care provided for a workers' compensation injury.
